

NOTES ON NEW AND NOTEWORTHY PLANTS. CXXX

Harold N. Moldenke

In order to bring the nomenclature of the Verbena Family more in line with current taxonomic practice, the following transfers are in order:

*ACANTHOLIPPIA TRIFIDA* var. *REICHEI* Mold., stat & nom. nov.

*Lippia gracilis* R. A. Phil., Anal. Univ. Chile 90: 620. 1896 [not *L. gracilis* Schau., 1847].

*DURANTA REPENS* f. *CANESCENS* (Mold.) Mold., stat. nov.

*Duranta repens* var. *canescens* Mold., Phytologia 1: 436. 1940.

*DURANTA REPENS* f. *GRANDIFLORA* (Mold.) Mold., stat. nov.

*Duranta repens* var. *grandiflora* Mold., Phytologia 2: 17. 1941.

*DURANTA REPENS* f. *INTEGRIFOLIA* (Tod.) Mold., stat. nov.

*Duranta integrifolia* Tod., Nuov. Gen. Sp. 27. 1858.

*DURANTA REPENS* f. *MICROPHYLLA* (Desf.) Mold., stat. nov.

*Duranta microphylla* Desf., Cat. Hort. Paris, ed. 3, 392. 1829.

*DURANTA REPENS* f. *SERRATA* (Mold.) Mold., stat. nov.

*Duranta repens* var. *serrata* Mold., Phytologia 7: 81. 1959.

*DURANTA REPENS* f. *VARIEGATA* (L. H. Bailey) Mold., stat. nov.

*Duranta repens* var. *variegata* L. H. Bailey, Man. Cult. Pl., ed. 1, 632. 1924.

*LIPPIA PALMERI* f. *SPICATA* (Rose) Mold., stat. nov.

*Lippia palmeri* var. *spicata* Rose in Vasey & Rose, Contrib. U. S. Nat. Herb. 1: 75. 1890.

*PETREA VOLUBILIS* f. *PUBESCENS* (Mold.) Mold., stat. nov.

*Petrea volubilis* var. *pubescens* Mold., Feddes Repert. Spec. Nov. 43: 45--46. 1938.

*TETRACLEA COULTERI* f. *ANGUSTIFOLIA* (Woot. & Standl.) Mold., stat. nov.

*Tetradlea angustifolia* Woot. & Standl., Contrib. U. S. Nat. Herb. 16: 170. 1913.

*VERBENA LASIOSTACHYS* f. *SCABRIDA* (Mold.) Mold., stat. nov.

*Verbena lasiostachys* var. *scabrida* Mold., Am. Midl. Nat. 24: 753. 1940.

*VERBENA LASIOSTACHYS* f. *SEPTENTRIONALIS* (Mold.) Mold., stat. nov.

*Verbena lasiostachys* var. *septentrionalis* Mold., Am. Midl. Nat. 24: 753. 1940.

- VERBENA LITORALIS* f. *ALBIFLORA* (Mold.) Mold., stat. nov.  
*Verbena litoralis* var. *albiflora* Mold., Phytologia 1: 432. 1940.
- VERBENA LITORALIS* f. *CONGESTA* (Mold.) Mold., stat. nov.  
*Verbena litoralis* var. *congesta* Mold., Phytologia 20: 80. 1970.
- VERBENA PERENNIS* f. *JOHNSTONI* (Mold.) Mold., stat. nov.  
*Verbena perennis* var. *johnstoni* Mold., Phytologia 2: 150. 1946.
- VERBENA PLICATA* f. *DEGENERI* (Mold.) Mold., stat. nov.  
*Verbena plicata* var. *degeneri* Mold., Phytologia 2: 24--25. 1941.
- VITEX GLABRATA* f. *BOMBACIFOLIA* (Wall.) Mold., stat. nov.  
*Vitex bombacifolia* Wall., Numer. List [48], no. 1749, hyponym. 1829; C. B. Clarke in Hook. f., Fl. Brit. India 4: 588. 1885.
- VITEX GLABRATA* f. *PALLIDA* (Wall.) Mold., stat. nov.  
*Vitex pallida* Wall., Numer. List [48], no. 1751, hyponym. 1829; C. B. Clarke in Hook. f., Fl. Brit. India 4: 588. 1885.
- VITEX HARVEYANA* f. *GEMINATA* (H. H. W. Pearson) Mold., stat. nov.  
*Vitex geminata* H. H. W. Pearson in Thiselt.-Dyer, Fl. Cap. 5: 213--214. 1901.
